Financial Policy

FINANCIAL POLICY

Welcome! Thank you for selecting us as your oral health care providers. Our goal is to provide you and your family with optimal dental care. We want you to feel welcome and as comfortable as possible throughout our relationship. We encourage you to ask questions and to be involved in treatment decisions. This includes understanding your treatment plan as well as our financial policy.

FINANCIAL AGREEMENT:
Patients are expected to pay for our services at the time they are rendered. Our patients who have dental insurance are expected to pay the amount of their estimated co-pay and deductible at the time of service. Payments may be made using cash, check, Visa, MasterCard and/or Discover. We also offer CARECREDIT which is a financing option available only for healthcare expenses. We will mail monthly statements to all patients with an outstanding balance charge of 1 1/2% (18% per annum) after 30 days.

Optional payment terms:

1. Full pay cash discount: We offer a 5% accounting courtesy for all services over $2,000 that are paid in full prior to the commencement of services.

2. Full pay credit discount: We accept full or partial payment by Visa, MasterCard or Discover. If you choose to prepay for services over $2,000 using your credit card, we can extend a 3% courtesy (this discount does not apply to Discover Card)

3. Term Loan: By arrangements with CARECREDIT we can offer patients upon approval, an interest-free term loan (up to 18 months) with no down payment, no annual fee and no prepayment penalty. Ask for an application.
There will be a fee for any additional procedure NOT included in the original treatment plan.

Appointments:
In order to serve you better and keep the cost of dental care down, we try to maintain an efficient appointment system. However, our cost of providing care increases greatly when people fail to keep scheduled appointments or cancel at the last minute. We require at least 24 hour notice for any cancelled appointment. Otherwise a minimum charge of $110 will be added to your account. Appointments that require more than 30 minutes will be assigned an additional fee. After 3 missed appointments or cancelled appointments we will place you on a short call list, which means we will phone you when an appointment time becomes available on short notice. This gives you the opportunity to know if your busy schedule has an opening for a dental appointment within the next few hours.

Insurance Information:
As a courtesy to our insured patients, we submit claims to your insurance company free of charge. We will help you to receive your maximum allowable benefits. In order to do this we need your insurance card and/or insurance policy with you on your first visit of every calendar year (your insurance year may not run January – December).
All of our doctors will diagnose treatment based on your dental health not your insurance coverage.
Dental insurance isn't really insurance (a payment to cover the cost of a loss) at all. It is actually a money benefit typically provided by an employer to help their employees pay for routine dental services. It is the employees' responsibility to understand their benefits. The employer usually buys a plan based on the amount of the benefit and how much the premium costs per month. Most benefit plans are only designed to cover a portion of the total cost of a person's necessary dental treatment. For example, a dentist may recommend a crown for a tooth that has extensive decay, however, the dental plan may only cover the cost of a filling. This does not mean that the patient does not need a crown, only that the benefit is limited to a filling. If your insurance has not paid within 90 days of services rendered, you will need to make full payment to this office and reimbursed when your insurance company pays. After 90 days the patient is responsible to pursue payment from the insurance company. All current documentation will be provided by mail in order to assist your inquiries. The insured has a better ability to deal with the
